PROGRAM NOTES

Sweet Dreams was commissioned by the Arroyo Vista Middle School Bands (California) under the direction of Ashley Stevens. It was composed in February of 2020 shortly after the birth of my nephew, Robert Hayden Grant. He was born premature and spent the first several weeks of life in the Neonatal Intensive Care Unit at the local Children's Hospital. Just a few pounds in size, we watched him overcome many challenges that no one in our family fully anticipated he would face. The memory that frequently plays in my head is the image of Hayden asleep in his crib, twitching his fingers and toes, dreaming things we could only imagine. This lullaby, which was sketched on my laptop in the hospital waiting room, is dedicated to Hayden in hopes that he continues to dream of a world unlike what anyone else can see.

Legal Use Requires Purchase

Yes, you can photocopy parts!

With the legal purchase of any piece published by Tyler S. Grant Music Works, LLC, you are granted a limited license to photocopy parts for your students.
(Some restrictions apply.)

May I photocopy instrumental parts for my ensemble's unique instrumentation?

Yes! I completely understand that each ensemble will vary in their needs for instrumental parts. Parts occasionally go missing, as well. As long as the photocopies stay within your school/organization, you may photocopy as reasonably needed!

I am performing your work at an adjudicated performance and will need extra conductor scores!

May I copy those for the adjudicators to use?

No. While instrumental parts may be photocopied for ensemble use as described above, conductor's scores may not be photocopied. Additional scores can be purchased from my website or through an authorized retailer.

May I upload PDFs of the instrumental parts to a secured online platform for our musicians to access?

Yes! However, the online platform you use must be password protected and inaccessible to anyone outside of your school/organization. My team frequently conducts checks online and will demand any uploaded images or files that do not follow this guideline be removed immediately.

May I duplicate the sheet music and give it to another individual, school, or organization?

Absolutely not. Duplicating and distributing music (including unlicensed photocopying and digital duplication) without permission is a blatant disregard and violation of U.S. Copyright Law. Such instances will be investigated and prosecuted to the full extent of United States & International Copyright Law.

May I create not-for-profit audio/video recordings of your pieces and share them on social media and other websites?

Certainly! As a matter of fact, I love searching for performances of my music online and greatly appreciate you sharing it with others! If you need licensing and permissions for a for-profit recording, please contact me through my website. www.tylersgrant.com

I have more questions! What should I do?

Contact me through my website. I am always happy to answer your questions!

Thank you for following these guidelines! Copyright is not meant to be scary or intimidating; it's the only way composers and arrangers protect their intellectual property. Your purchase helps support my entire team. Many publishers have a different set of guidelines for photocopying and duplicating their music. These guidelines are only for Tyler's music published through Tyler S. Grant Music Works, LLC.
